

IADR SEA Division Annual Scientific Meeting 2026

Theme: Transforming Oral Health: Innovation, Equity and Impact

Dates: 17–19 September 2026

Venue: Shangri-La Phnom Penh, Cambodia

DAY 1 — THURSDAY, 17th SEPTEMBER 2026

Time	Shangri-La Hotel – 12th Floor					
	Angkor Grand Ballroom 1 & 2	Bassac 1	Mekong 1	Mekong 2	Mekong 3	Angkor 3 / Hall 3
07:30–09:00	Registration Opens Delegate Registration Sponsor Exhibition Opens	—	—	—	—	General & Hatton Poster Set up
09:00–09:10	Welcome by Master of Ceremonies – Introduction to IADR, IADR-SEA & University of Puthisastra	—	—	—	—	—
09:10–09:30	Opening Remarks – Prof. Ian Rouse, President and Vice-chancellor, University of Puthisastra	—	—	—	—	—
09:30–9:40	IADR-SEA President Welcome Address – Prof. Christina Sim	—	—	—	—	—
09:40–10:10	Welcome Address by Chief Guest	—	—	—	—	—
10:15–10:30	Official Opening & Group Photograph	—	—	—	—	—
10:30–11:00	Morning Tea & Sponsor Exhibition	—	—	—	—	
11:00–12:00	Keynote Lecture 1 – Dr. Ankur Singh Topic - Data to Policy: Translation Barriers in Oral Health Evidence	—	—	—	—	Poster Session 1 – Hatton Junior and Senior (11:00AM - 12:30PM)
12:00–13:30	Lunch Break (Location: Kommune - 48th floor)	—	—	—	—	
13:30–14:30	Keynote Lecture 2 – Dr. Ivan Lin Topic - The SMA Era of Clear Aligners: Unlocking the Biomechanical Limitations of Traditional Aligner Therapy	—	—	Oral Presentations – Digital Dentistry, Implantology and Prosthodontics		Poster Session 2 – General (2:00PM - 3:15PM)
14:30–15:30	Implantology & Regenerative Dentistry Symposium (Part 1) 1. Prof. Hiroshi Egusa – Transforming Oro-Maxillofacial Regeneration: Stem Cell and Nanotechnology Strategies for Clinical Impact 2. Prof. Wei-Jen Chang – Next-Generation Bone Regeneration in Implant Dentistry: Biofabrication, Smart Hydrogels and Precision Regenerative Implantology	IADR SEA Mentor–Mentee Sharing Session	—		—	
15:30–16:00	Coffee Break, Poster Viewing & Sponsor Exhibition	—	—	—	—	
16:00–17:30	Implantology & Regenerative Dentistry Symposium (Part 2) 3. Lecture - TBC 4. Dr. Sam Sovatdy – Implant Site Management in the Posterior Mandible: Contemporary Strategies for Socket Preservation, Immediate Implant Placement, and Horizontal Ridge Augmentation 5. Panel Discussion	IADR-SEA Division Council Meeting	—	Oral Presentations – Digital Dentistry, Implantology and Prosthodontics	—	—

DAY 2 — FRIDAY, 18th SEPTEMBER 2026

Time	Shangri-La Hotel – 12th Floor					
	Angkor Grand Ballroom 1 & 2	Bassac 1	Mekong 1	Mekong 2	Mekong 3	Angkor 3 / Hall 3
09:00–09:50	Keynote Lecture 3 – Dr. Sangeeta Singh Topic - Bridging the Policy Gap: Integrating Oral Health into Diabetes Care Pathways	Workshop 1 - Systematic Reviews & Meta-analysis (9:00AM - 12:00Noon) Prof. Priyanka Kapoor & Prof. Aman Chowdhary	Hatton Senior and Junior Oral Competition (Closed Door)	Oral Presentations: Population Oral Health, Epidemiology & Health Services Research	—	Hatton and General Poster Exhibition
09:50–10:30	Keynote Lecture 4 – Prof. Firdaus Hariri Topic - Oral and Craniofacial SEA Research Network: Regional Collaboration for Impactful Innovation, Application, Access and Affordability	Workshop 1 - Systematic Reviews & Meta-analysis (9:00AM - 12:00Noon) Prof. Priyanka Kapoor & Prof. Aman Chowdhary	Hatton Senior and Junior Oral Competition (Closed Door)		—	
10:30–11:00	Morning Tea & Sponsor Exhibition	—	—	—	—	
11:00–12:30	Public Health Symposium 1. Clinical Assoc. Prof. Sobia Zafar – Transforming Oral Health Equity: Understanding Barriers to Children's Dental Service Use Among CALD Families in Australia 2. Prof. Walter Y.H. Lam – Transforming Oral Health Through Prosocial AI and Mobile Health 3. Panel Discussion	Workshop 1 - Systematic Reviews & Meta-analysis (9:00AM - 12:00Noon) Prof. Priyanka Kapoor & Prof. Aman Chowdhary	Hatton Senior and Junior Oral Competition (Closed Door)	Oral Presentations: Population Oral Health, Epidemiology & Health Services Research	Workshop 2 - Using Data to Inform Oral Health Interventions (10:45AM - 12:45PM) Dr. Ankur Singh	
12:30–14:00	Lunch Break (Location: Kommune - 48th floor)	—	—	—	—	
14:00–14:40	Keynote Lecture 5 – Prof. Dr. Vetriselvan Subramaniam Topic – Antimicrobial Resistance in Oral Health: Emerging Challenges, Microbial Dynamics and Future Therapeutic Strategies	Workshop 3 - IADR-SEA Regional Development Workshop (2:00PM - 5:00PM) Prof. May Wong & Assoc. Prof. Siddharthan Selvaraj	Hatton Senior and Junior Oral Competition (Closed Door)	Oral Presentations – Materials / Regeneration / Innovation Research	Oral Presentations – Oral Microbiology, Immunology, Genetics and Salivary Research	
14:40–15:30	Keynote Lecture 6 – Prof. Aman Chowdhary Topic – From Constraints to Innovation: Transforming Oral Pathology Education, Diagnostics and Research	Workshop 3 - IADR-SEA Regional Development Workshop (2:00PM - 5:00PM) Prof. May Wong & Assoc. Prof. Siddharthan Selvaraj	Hatton Senior and Junior Oral Competition (Closed Door)	Oral Presentations – Materials / Regeneration / Innovation Research	Oral Presentations – Oral Microbiology, Immunology, Genetics and Salivary Research	
15:30–15:50	Afternoon Tea & Sponsor Exhibition	—	—	—	—	

15:50–17:30	Precision Orthodontics Symposium 1. Prof. Anand Marya – Integrating AI, Digital Technologies and Precision Care in Orthodontics 2. Dr. Viet Hoang – 3D Printing and Shape Memory Aligner Applications: From Evidence to Clinical Practice 3. Prof. Priyanka Kapoor – Biofluids as Windows to Orthodontic Biology: Proteomics and Multi-Omics for Precision Care 4. Panel Discussion	Workshop 3 - IADR-SEA Regional Development Workshop (2:00PM - 5:00PM) Prof. May Wong & Assoc. Prof. Siddharthan Selvaraj	Hatton Senior and Junior Oral Competition (Closed Door)	Oral Presentations – Materials / Regeneration / Innovation	Oral Presentations – Oral Microbiology, Immunology, Genetics and Salivary Research	
17:30–18:15	—	IADR-SEA Division AGM	—	—	—	—
19:00 onwards	Gala Dinner – Angkor Grand Ballroom 1 & 2	—	—	—	—	—
DAY 3 — SATURDAY, 19th SEPTEMBER 2026						
Time	Shangri-La Hotel – 12th Floor					
	Angkor Grand Ballroom 1 & 2	Bassac 1	Mekong 1	Mekong 2	Mekong 3	Angkor 3 / Hall 3
08:30–9:30	Keynote Lecture 7 – Dr. Kim Yong Jin Topic – Clinical Considerations about Implant Design: For Immediate Placement, Immediate Loading & All-on-X Treatment	Workshop 4 - TBC	Workshop 5 - TBC	Workshop 6 - Shape Memory Direct Printed Aligners: The Future of Digital Orthodontics (9:00AM - 12:00Noon) Lecture 1 - Changes from Braces to Completely Digital Workflow – A Paradigm Shift of an Orthodontic Practice by Dr. Jatin Gambhir	Biostatisticians Network Launch (08:30AM –10:00AM) Prof. May Wong	—
9:40–10:40	Digital Dentistry Symposium (Part 1) 1. Prof. Katsushi Okazaki Topic – Augmented Reality Visualization of CBCT Data Outperforms Conventional CBCT in Endodontics: Convergent Evidence Toward an Accessible, Mobile, Network-Enabled Platform 2. Dr. Prasad Nalabothu Topic – Intelligent Immersion: The Convergence of AI, AR, and VR in Cleft Care			Workshop 6 - Shape Memory Direct Printed Aligners: The Future of Digital Orthodontics (9:00AM - 12:00Noon) Lecture 2 - Shape Memory Direct Printed Aligner: A Complete Workflow by Dr. Tanveer Ahmed Khan	Workshop 7 - Clinical Consideration about Implant Design and Why does the Implant Design matter? (10:00AM - 1:00PM) Lecture 1 - Implant Body and Thread Design by Dr. Kim Yong Jin	—
10:40–11:00	Morning Tea & Sponsor Exhibition			Workshop 6 - Shape Memory Direct Printed Aligners: The Future of Digital Orthodontics (9:00AM - 12:00Noon) Hands-on Practical Workshop - From Digital Design & 3D Printing to Post-processing and Final Shape Memory Clear Aligner Fabrication by Dr. Tanveer Ahmed Khan	Workshop 7 - Clinical Consideration about Implant Design and Why does the Implant Design matter? (10:00AM - 1:00PM) Lecture 2 - Immediate Placement and Immediate Loading by Dr. Kim Yong Jin	—

11:00–12:00	Digital Dentistry Symposium (Part 2) 3. Prof. Hank Ding-Han Wang Topic – From AI-Powered Dental Imaging to Extended Reality: Building an AI-Enhanced Ecosystem for Dental Education and Oral Healthcare 4. Panel Discussion			Workshop 6 - Shape Memory Direct Printed Aligners: The Future of Digital Orthodontics (9:00AM - 12:00Noon) Hands-on Practical Workshop - From Digital Design & 3D Printing to Post-processing and Final Shape Memory Clear Aligner Fabrication by Dr. Tanveer Ahmed Khan	Workshop 7 - Clinical Consideration about Implant Design and Why does the Implant Design matter? (10:00AM - 1:00PM) Hands-on Practical Workshop - Clinical Application of Implant Design by Dr. Kim Yong Jin	—
12:00–13:00	Lunch Break (Location: Kommune - 48th floor)	—	—	—	Workshop 7 - Clinical Consideration about Implant Design and Why does the Implant Design matter? (10:00AM - 1:00PM) Hands-on Practical Workshop - Clinical Application of Implant Design by Dr. Kim Yong Jin	—
13:00–14:30	Official Closing Ceremony • Award Ceremony • Recognition of IADR-SEA Division Council Members • Recognition of Scientific Committee • Recognition of Sponsors • Recognition of Local Organizing Committee • Announcement & Short Presentation by Next IADR-SEA Host Country • Closing Remarks – Prof. Anand Marya • Closing Remarks – Prof. Christina Sim	—	—	—	—	—
